

Mission Statement

The mission of Siatech MYcroSchool, Inc. (Siatech MYcroSchool, Inc.) is to provide a premier high school drop-out recovery program engaging students through relationship-focused, high-tech, and rigorous learning experiences. The teachers, administration, and staff of Siatech MYcroSchool believe that all students can learn. In adhering to with our primary mission, we strive to accept, inspire, and challenge all students. We seek active educational partners from both our greater community and our student’s families. In helping our students become responsible productive citizens who strive to achieve their highest potential, parental engagement is essential. Many activities and programs will take place throughout the school year with specific information available monthly.

It is important that families and schools work together to help students achieve high academic standards. Through a process that included teachers, families, students and community representatives, the following are agreed upon roles and responsibilities that we as partners will carry out to support student success in school and in life.
